Historically, this event sees everything from furniture to kitchenware, glassware to industrial construction supplies that have been unused. Nothing is too big or small, and there is something for nearly everyone.

The Church of the Incarnation Garage Sale event is a greatly anticipated community event that benefits the choir's pilgrimage to England next summer, where they will be in residence at Canterbury Cathedral, Westminster Abbey, and St. George's Chapel at Windsor Castle. This event is also beneficial to the surrounding community, offering a chance to purchase varied types of used and unused goods at garage sale prices.
